AIR CAPITAL BUILD

2024

WICHITA HABITAT FOR HUMANITY

Wichita Habitat for Humanity is pleased to launch the **2024 AIR CAPITAL BUILD!** We will combine forces with partners in the aerospace industry to build three homes concurrently.

The AIR CAPITAL BUILD initiative is designed to bring people together from across the aviation industry to share our city's pride. Wichita is proud of our aviation industry, and our corporate leadership whose generosity gives so much back to our community.

We want to continue the good work happening in the Rock the Block neighborhood and we are asking you to collaborate on building three Wichita Habitat for Humanity homes in the new year. We believe that affordable homeownership allows families to establish stability in their work and their children's education.

WHO:

All Wichita aerospace companies and their partners are invited to help fund and build the homes.

WHY:

Hardworking, low-income members of our community should have access to safe, stable homes.

WHAT:

Three safe, affordable homes.

WHEN:

April 3-June 8, 2024

WHERE:

1355 N. Piatt neighborhood area

With generous commitments from LTC, Textron Aviation, and Spirit AeroSystems, we are well on our way to raising the \$300,000 needed to build the homes for three families.

WICHITA HABITAT FOR HUMANITY

We bring people together to build homes, communities, and hope.
